CATERING

(Updated 07/13/2015)

The Client can arrange food/catering services through **Great American Corporate Dining**, the in-house food service provider. All catering charges will be billed on a separate invoice to the Client by Great American Corporate Dining. You may access their website directly to place orders:

<http://www.great-american-food.com/>

**** It is preferred that all catering be arranged at least 24 hours in advance. ****

By arranging your catering online, Great American is also able to custom design for any special occasion. So, whether you are planning a standard meeting or a luncheon, Great American allows you to put forth an image of quality while still being fiscally responsible.
